Growth Through Diverse Ventures

Diversification is key to building a lasting business. Our portfolio includes ventures and developments that contribute to sustainable, long-term growth for our stakeholders.

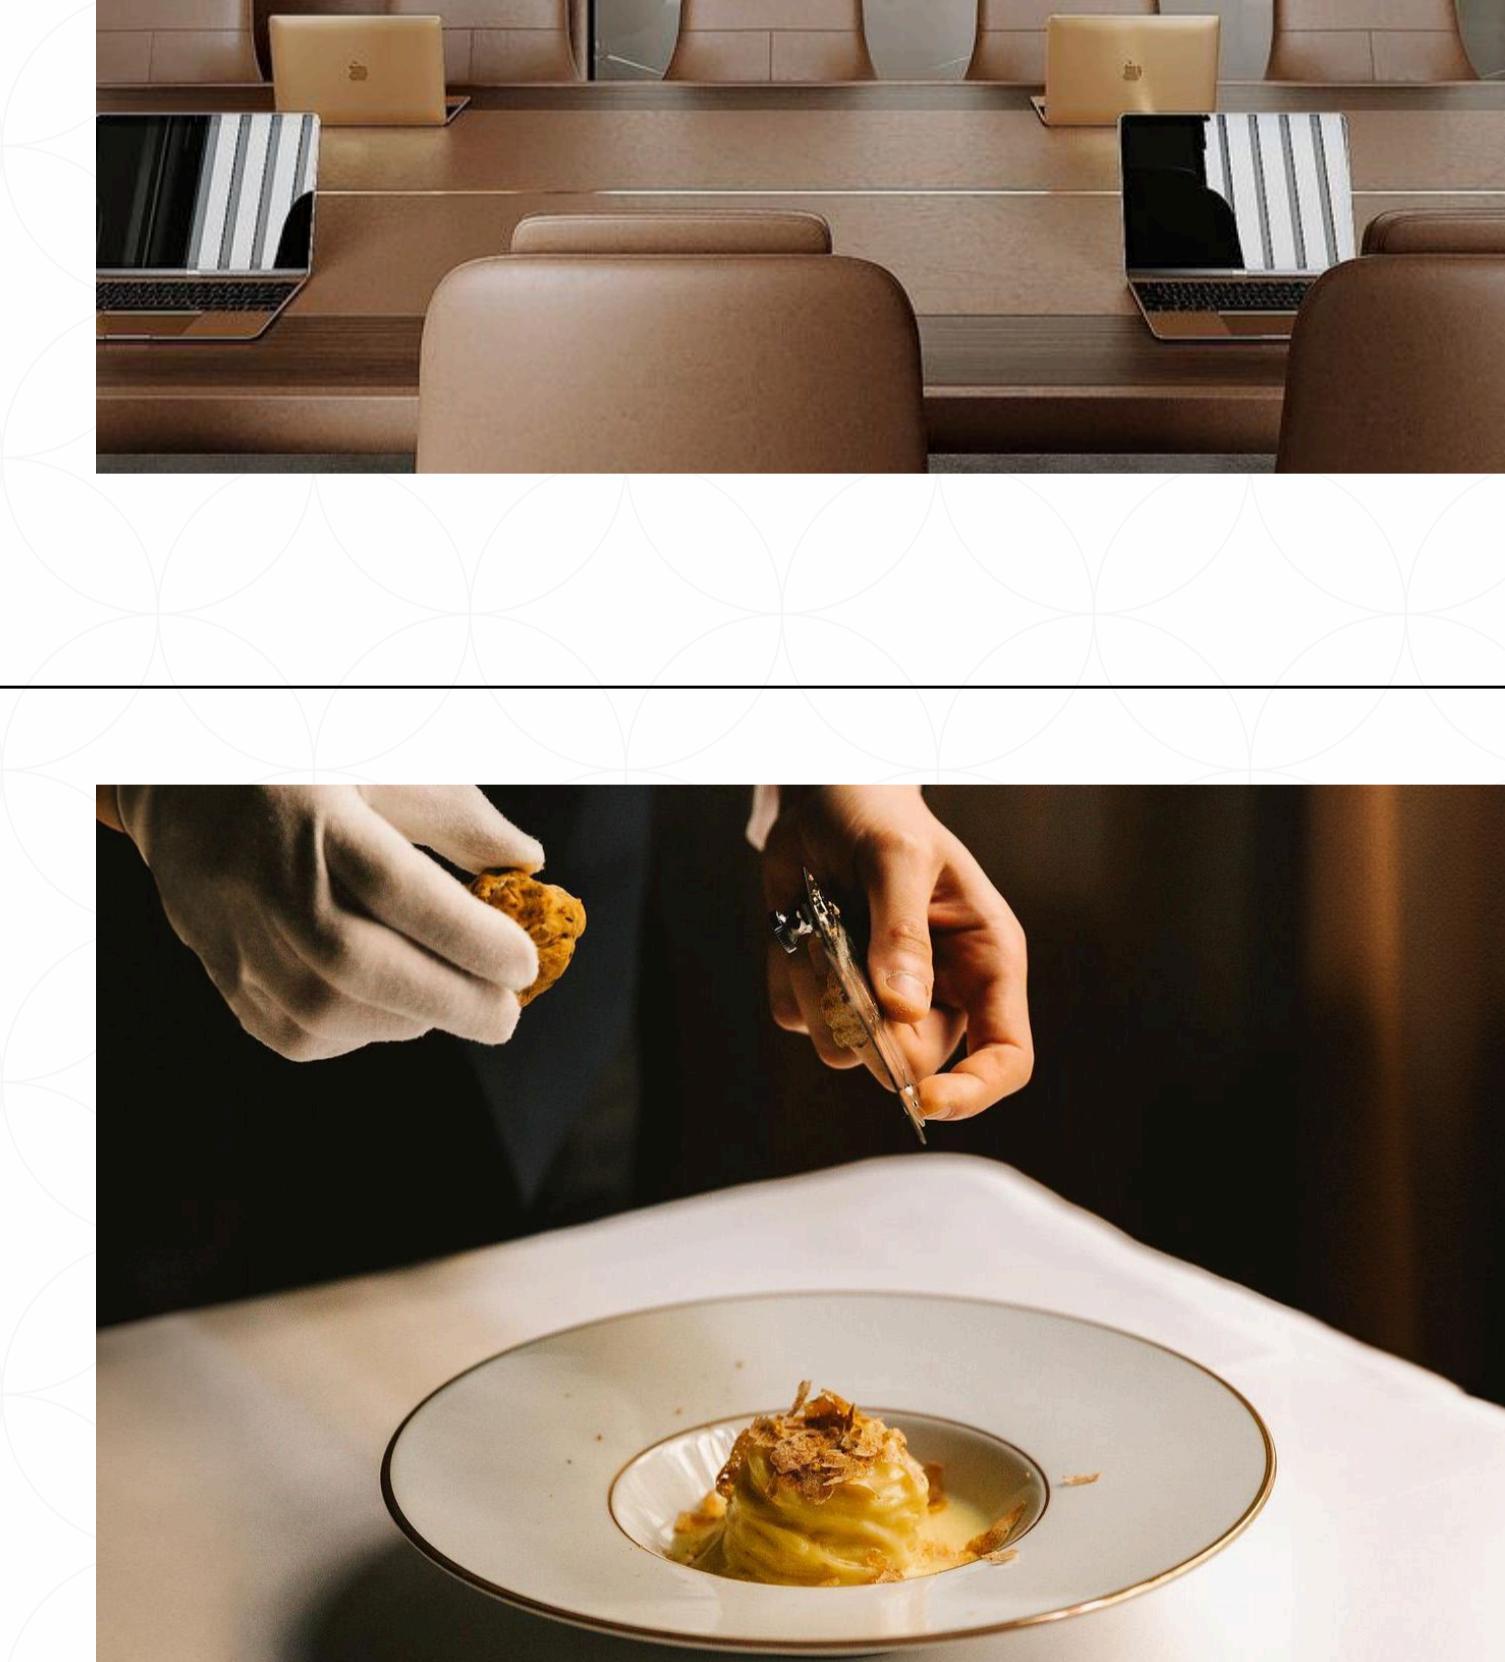

Gaming

Resorts World Sentosa's Casino offers holistic entertainment, including exclusive events, performances, and promotions that engage guests year-round.

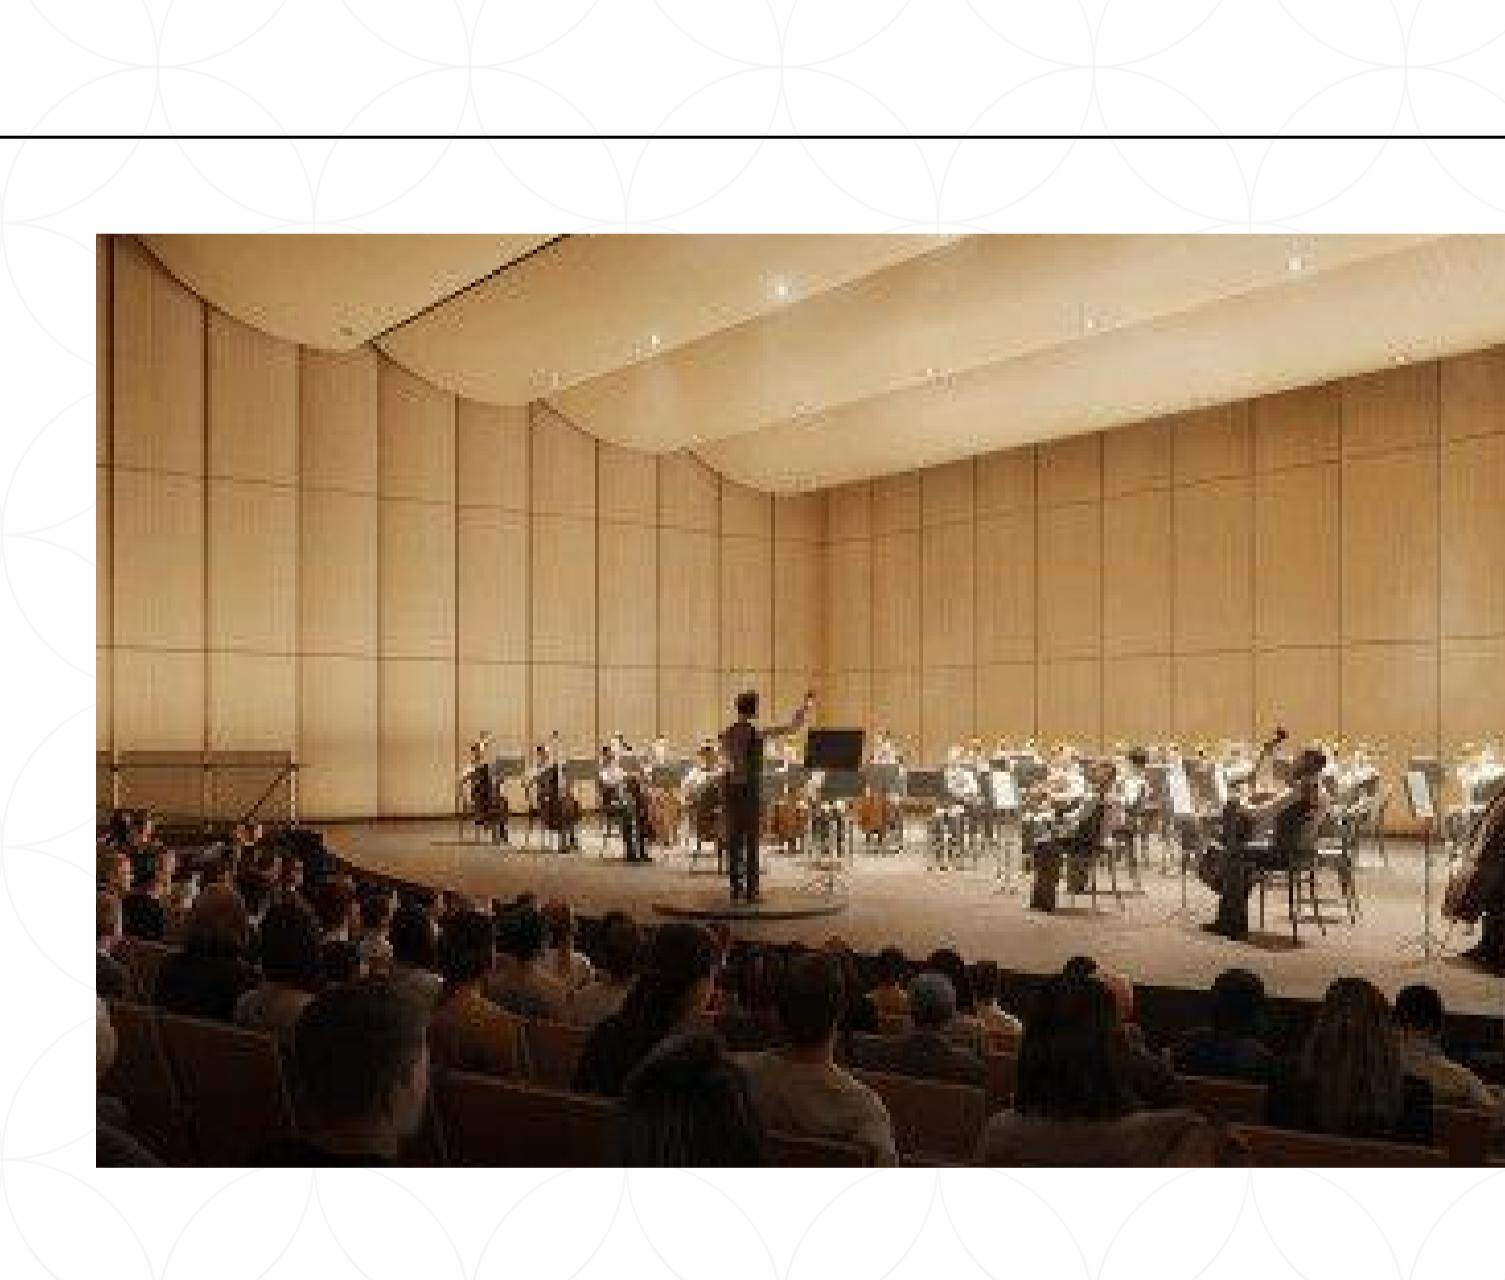

Universal Studios Singapore

As Southeast Asia's only Universal Studios, it features unique attractions across six themed zones, with numerous rides original to, or adapted, for Singapore.

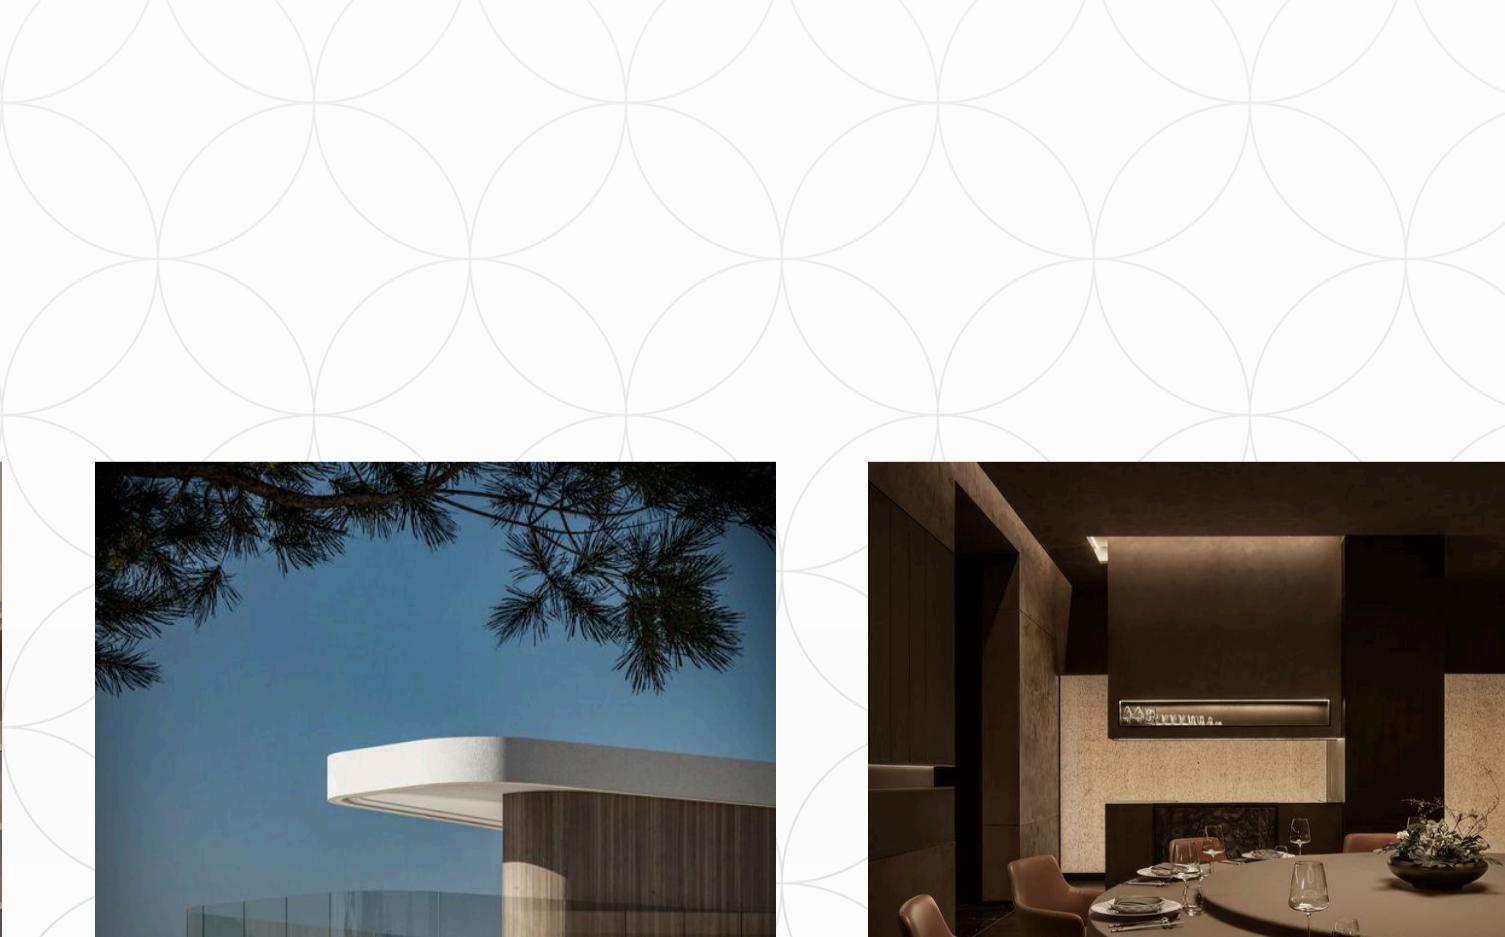

S.E.A Aquarium

One of the world's largest oceanariums, S.E.A. Aquarium promotes ocean conservation through interactive programmes, up-close animal encounters, and immersive learning experiences.

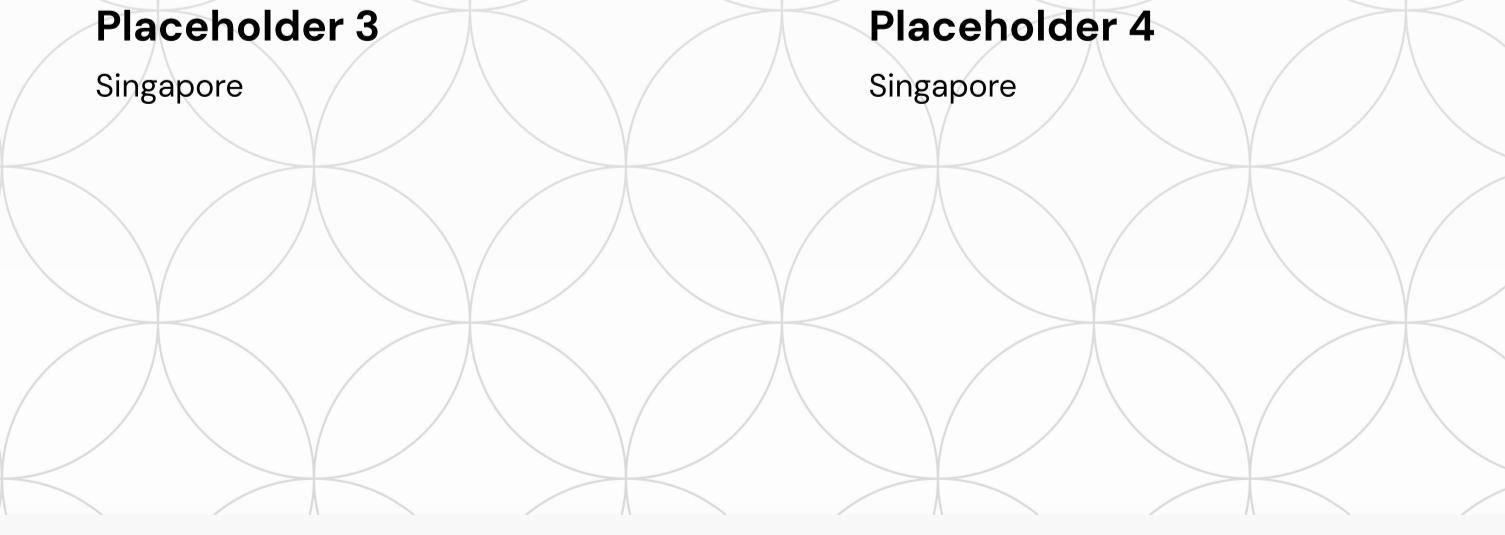

Adventure Cove Waterpark

This aquatic park offers exhilarating water slides and mesmerising marine encounters, from the high-speed Riptide Rocket for thrill-seekers, to the serene Adventure River for a calming experience.

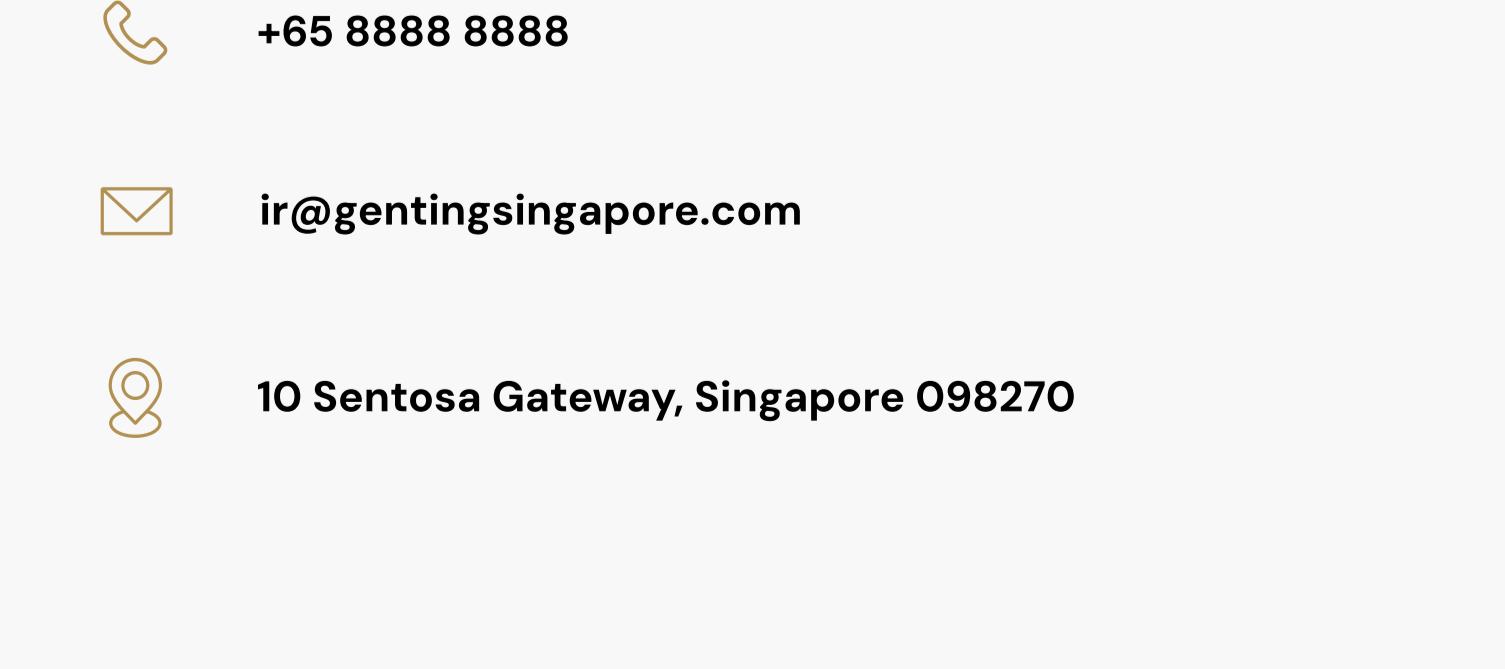

Hotels

Resorts World Sentosa comprises six uniquely themed hotels with approximately 1,600 rooms, catering to diverse guest preferences.

Meetings and Events

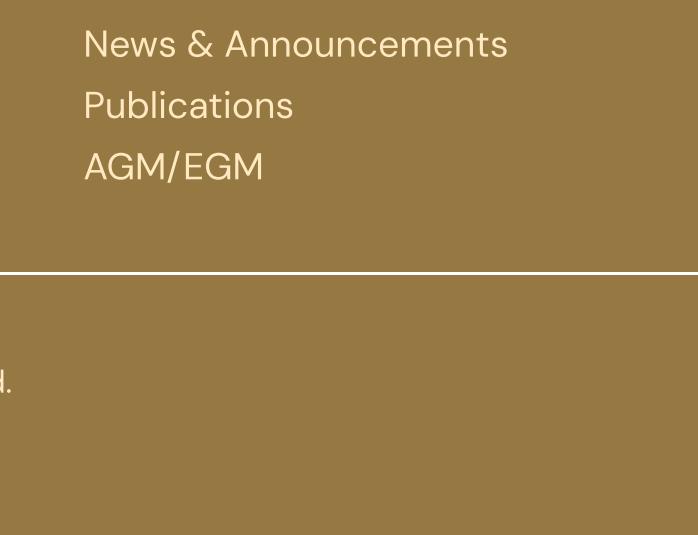

Combining business and leisure with industry-leading sustainability practices, RWS offers versatile venues and expert event programming, establishing it as a premier MICE destination.
